Day 01 — Your next chapter starts here.

Your next chapter starts here.

• Road construction and drainage.
• Water and sewer infrastructure.
• Building and structural works.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-01.png

Day 02 — Good roads begin with good ground.

Good roads begin with good ground.

• Subgrade supports the pavement.
• Base layers distribute traffic loads.
• Surfacing protects the layers beneath.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-02.png

Day 03 — The right tools. The right conversation.

The right tools. The right conversation.

• Define the work before selecting machinery.
• Plan access and working space.
• Coordinate operators and site activities.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-03.png

Day 04 — Bring your plans. Let’s talk.

Bring your plans. Let’s talk.

• Describe the location and intended use.
• Include drawings and available surveys.
• Set out scope and target dates.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-04.png

Day 05 — See how far a good plan can go.

See how far a good plan can go.

- A wide view establishes the work area.
- A detail shows the activity.
- A repeat angle makes progress visible.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-05.png

Day 06 — A good visit starts with safety.

A good visit starts with safety.

• Wear the required protective equipment.
• Report to the site representative.
• Stay inside designated visitor areas.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-06.png

Day 07 — Your project deserves a proper start.

Your project deserves a proper start.

• Describe the project and its location.
• Tell us which services you need.
• Send enquiries through our website.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-07.png

Day 08 — Every step has a next step.

Every step has a next step.

- Record what changed since the last update.
- Explain what the next activity depends on.
- Flag decisions that need attention.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-08.png

Day 09 — Water connects a community.

Water connects a community.

• Supply feeds a distribution network.
• Valves support isolation and maintenance.
• Testing happens before commissioning.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-09.png

Day 10 — Good work takes good people.

Good work takes good people.

• Designers define the technical requirements.
• Site teams organise construction activities.
• Quality teams check work against specifications.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-10.png

Day 11 — Plan the connections early.

Plan the connections early.

• Check routes and levels early.
• Coordinate crossings with other services.
• Plan testing and handover requirements.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-11.png

Day 12 — Before the pour, make a plan.

Before the pour, make a plan.

• Confirm approved drawings and checks.
• Plan access and concrete delivery.
• Agree placement, testing and curing procedures.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-12.png

Day 13 — Start the day with everyone in mind.

Start the day with everyone in mind.

• Discuss the tasks planned for that day.
• Identify the hazards workers will face.
• Agree controls and emergency arrangements.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-13.png

Day 14 — A clearer brief. A better conversation.

A clearer brief. A better conversation.

• Surveys describe existing conditions.
• Specifications define required performance.
• A clear scope helps make quotes comparable.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-14.png

Day 15 — Progress worth keeping track of.

Progress worth keeping track of.

- State exactly what has been completed.
- Record inspections and outstanding work.
- Explain the next stage of construction.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-15.png

Day 16 — Built with checks along the way.

Built with checks along the way.

• Earthworks require specified compaction checks.
• Concrete testing follows the project specification.
• Keep inspection and test records together.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-16.png

Day 17 — The people matter most.

The people matter most.

• Plan work to control hazards first.
• Use protective equipment suited to the task.
• Report changing conditions to the supervisor.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-17.png

Day 18 — From an idea to a place.

From an idea to a place.

• Check setting out before construction.
• Inspect work before it is covered.
• Track defects and close-out documents.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-18.png

Day 19 — Every machine has its part.

Every machine has its part.

• An excavator digs and moves material.
• A grader shapes levels and profiles.
• A roller compacts suitable material.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-19.png

Day 20 — There’s a question behind every project.

There’s a question behind every project.

• Road construction layers.
• Water and sewer infrastructure.
• Drainage and building foundations.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-20.png

Day 21 — Choose with confidence.

Choose with confidence.

• Ask about relevant project experience.
• Discuss capacity and quality procedures.
• Clarify scope, programme and communication.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-21.png

Day 22 — Make room for the weather.

Make room for the weather.

• Protect exposed work from runoff.
• Allow for weather-sensitive activities.
• Keep drainage routes under review.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-22.png

Day 23 — Give the rain somewhere to go.

Give the rain somewhere to go.

• Drainage moves runoff away from the pavement.
• Blocked outlets can cause ponding.
• Maintenance matters after construction.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-23.png

Day 24 — Good teamwork starts with a conversation.

Good teamwork starts with a conversation.

• Agree roles and reporting lines.
• Record instructions and changes.
• Raise questions before they delay work.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-24.png

Day 25 — Ask about the work behind the name.

Ask about the work behind the name.

- The type and scope of the work.
- The contractor's actual role.
- A contact who has agreed to be a reference.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-25.png

Day 26 — Every change tells a story.

Every change tells a story.

• Use the same viewpoint where possible.
• Include the dates of each image.
• Describe the work between the two stages.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-26.png

Day 27 — Make the next step clear.

Make the next step clear.

• Review progress against the programme.
• Resolve constraints and required decisions.
• Assign clear actions and owners.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-27.png

Day 28 — Your next tender starts with a brief.

Your next tender starts with a brief.

- Attach the relevant drawings and scope.
- Include the submission requirements.
- State the closing date and contact person.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-28.png

Day 29 — Small steps. Bigger possibilities.

Small steps. Bigger possibilities.

• Road layers support the finished surface.
• Water infrastructure needs coordination.
• Drainage helps protect the work.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW

Poster: images/lifestyle/day-29.png

Day 30 — Let’s talk about what you want to build.

Let’s talk about what you want to build.

• Roads and drainage.
• Water, sewer, structures and buildings.
• Send your scope or drawings for discussion.

Discuss your requirements on WhatsApp: https://wa.me/263782381986 or visit https://onpointcivils.co.zw/.

#OnPointCivils #CivilEngineeringZimbabwe #ConstructionZW
